Paul John E. Antigo

COMPUTER SCIENCE STUDENT

09511378115 | Pauljohn.antigo@gmail.com | Taltal, Masinloc, Zambales, Philippines

paul-antigo.vercel.app | github.com/itszoriel | LinkedIn

Education

Bachelor of Science in Computer Science

President Ramon Magsaysay State University, Iba Campus

2023-2027 | Expected July 2027 | Fourth-year student

Work Experience

IT Support Assistant - Cisco Department **June 4-July 31, 2025**

Northern Zambales College, Inc., Masinloc, Zambales | SPES / DOLE | 20 days

- Validated student information in Microsoft Excel and the school's information system, preparing checked records for ID production.
- Prepared student photographs in Adobe Photoshop, producing images for official identification cards.
- Inspected completed cards and assisted with organized release, helping distribute student IDs.

Project Experience

MunLink | Developer / Maintainer **Ongoing**

Three-person CSE 2 origin; handled development with teammate testing/debugging, then continued as maintainer.

Live demo | Source repository

- Built resident and administrative React applications with Flask and PostgreSQL, connecting frontend, API, and database workflows.
- Implemented document requests, payments, and QR-verified PDF release, enabling an end-to-end request-to-claim workflow.
- Implemented JWT authentication, role- and location-scoped permissions, and audit logging, providing access controls and traceability.
- Tested workflows and debugged CORS, authentication, and database issues, resolving frontend-to-API integration problems.

Technical Skills

Frontend: React, TypeScript, JavaScript, HTML, CSS, Tailwind CSS, Vite

Backend: Python, Flask, REST APIs, SQLAlchemy, ReportLab

Database: PostgreSQL, SQL, Database design, Supabase Storage

Engineering: Git, GitHub, Turborepo, Docker, Authentication, Authorization, JWT, Role-based access control, API integration

Course Certificates

Data Analytics Essentials - Cisco Networking Academy | August 29, 2026

Azure AI Fundamentals - TESDA Online Program | July 13, 2026

Security, Compliance, and Identity Fundamentals - TESDA Online Program | July 14, 2026

Developing Designs for User Experience - TESDA Online Program | July 15, 2026
